About this map

The colour coding of the countries reflects the percentage of women in unicameral parliaments or in the lower house of parliament, and corresponds to the data found in the world ranking of women in parliament on the right-hand side of the map. A world ranking of women in ministerial positions is on the left-hand side of the map.

All data reflects the situation on 1 January 2021. As the source of the data presented here, the Inter-Parliamentary Union (IPU) is responsible for the criteria applied in displaying the information.

The designations employed and the presentation of material on this map do not imply the expression of any opinion whatsoever on the part of UN Women or of the IPU concerning the legal status of any country, territory, city or area or of its authorities, or concerning the delimitation of its frontiers or boundaries.

* Dotted line represents approximately the Line of Control in Jammu and Kashmir agreed upon by India and Pakistan. The final status of Jammu and Kashmir has not yet been agreed upon by the parties.

** Non Self-Governing Territory

a State of Palestine (women in ministerial positions: 3/23 = 13% [as at 1 January 2020]; women in parliament: the Palestinian Legislative Council was dissolved in December 2018).

b A dispute exists between the Governments of Argentina and the United Kingdom of Great Britain and Northern Ireland concerning sovereignty over the Falkland Islands (Malvinas).

c Final boundary between the Republic of Sudan and the Republic of South Sudan has not yet been determined.
